Hosting Upgrade Appeal

The Tap has become increasingly busy over the last few weeks with many more visitors and sign ups. It's currently creaking and slowing. We need a hosting account upgrade to help cope with the increased activity and keep this free blog online. It would be sad to lose it but it costs to keep it going and free to use. If any of you can help donate even a small amount towards the hosting upgrade that would be a big help. Thank you. [Click here to donate](#)

Our system of government is Roman running on paedophilia.

The system of government in the UK runs on paedophilia.

Once an MP, a judge or a bishop, or even a system-accepted musician, you can indulge and be sure of protection.

Dare I add monarchy to the list?

That's how Rome worked.

We read the stuff at school written in Greek describing the little boys trained to pleasure the senators in the baths. We thought it amusing – having no idea of its significance. Why were twelve year old schoolboys encouraged to read about it?

Paedophile indulgence was the reward of loyalty to the system in Rome, and still is to this day.

The other method of government was the Persian one, whereyou couldn't become a priest or government administrator etc without first the removal of your testicles. The eunuchs ran everything.

Sadly we are ruled by the other method – sexual reward for loyalty – the paedo system – well covered up – but clearly the case, despite media cooperation.

The US is obviously the same – Epstein, Maxwell and so on.

Pizzagate, Hampstead whistleblower kids, Savile, Prince Andrew, the Cliff Richard allegations, and hundreds of other 'isolated' cases.

When will our eyes finally open?

Welby is not an isolated case. None of the cases are isolated.
